**GO SOLAR
IN 2008**

ABOUT ALL-PRO:

Since 1995, All-Pro Electric has been serving the electrical contracting needs of Massachusetts homeowners and businesses. In that time, we have become the electrician of choice for over 10,000 customers because of our:

- Technical Excellence
- Dedication to Safety
- Honest & Ethical Business Practices
- Competitive Rates

Today, All-Pro Solar is bringing the same level of professionalism and reputation for excellence to the Residential & Commercial Solar marketplace.

Our professional affiliations:

- SEBANE– Solar Energy Business Association of America
- NECA– National Electrical Contractors Association
- IAEI– International Association of Electrical Inspectors
- NFPA- National Fire Protection Association

Call us today at 978-469-0100 and learn how easy and cost-effective GOING SOLAR has become OR visit us at www.All-ProSolar.com

Why Solar...Why Now

- Significantly reduce your energy costs by taking advantage of an endless source of energy– The Sun!
- Become less dependant on fossil fuels.
- Feel good about helping conserve energy and leaving the world a better place for future generations.
- Now you can take advantage of rebate programs and government incentives that are designed to save you thousands of dollars and give you an immediate Return on your Investment.

Call today to book your FREE consultation and see if going solar is the right move for you!
